## Prayer Needs

Please pray for Beth Bodemann – she has been having 'floaters' and flashing lights in her vision that the ophthalmologist is monitoring. So far, everything is ok, but they are being cautious. She is also experiencing increasing pain in her shoulder from an old injury which is getting worse.

Continue praying for Nsenga's strengthening and that she can come home from rehab soon.

*May God bless all of you abundantly for your love and support of this ministry.*
